This is the Summer of Datanaïres!

The ones with loads of data to spare.
The big senders and the FREE call-makers who make a short story long.
The ones who stream way beyond their means because they're rolling in data.
The ones who call first and check the balance, never.
Because when you're a Datanaire rich in FREE calls, "insufficient funds to make this call" is fake news.

Datanaïres enjoy the best summer data can buy.
They're not counting megabytes, they're just counting the memories!
Because Datanaïres know that you can't put a price tag on a proper playlist at a braai or a family video call, where every "bye" starts another conversation.

Be a Datanaire this summer.
Stretch your last R29 into a chance to win your share of R500 million in cash and prizes and get one tap closer to enjoying a special summer, where data doesn't cost an arm and a leg, and calls are mahala every day!

Because this is the Summer of Datanaïres.
The summer for long weekends and even longer stories.
For going live, catching the goal, finding the next turn, calling home, for checking the weather and still deciding to go.
For more scrolling, more streaming, more sharing, for more summer!

Be a Datanaire.
Be rich in data, FREE calls and loads of prizes.
