1. DEFINITIONS:

1.1 Unless the context clearly indicates the contrary, any term used herein shall bear the same meaning as defined in the Telkom's Standard Terms and Conditions.

1.2 In this document the following words will have the meaning as defined below:

1.2.1 **"Agreement"** means the Customer's application for Service(s) together with these Product Specific Terms and Conditions.

1.2.2 **"Asymmetrical speed"** is when the download and upload speed is not the same e.g., 1000/500Mbps (download speed 1000Mbps, Upload speed 500Mbps).

1.2.3 **"Broadband Speed"** is the rate that information is received (download or downstream speed) or sent (upload or upstream speed) on the line and is measured in Mbps ('megabits per second').

1.2.4 **"Download Speed"** is the speed at which your computer or smart device 'gets' information from the Internet. In other words, when you try and open your email, your download speed would determine how long it takes to load your emails and applications.

1.2.5 **"Upload speed"** is the speed at which information travels from your internet connected device to the Internet. If you send an email, your upload speed would determine how long it takes for your email to arrive in the mailbox of the intended recipient.

1.2.6 **"Internet bandwidth usage"** refers to the volume of information you use over your broadband connection, each month. Usage is measured in 'MB'(megabytes); 'GB'(gigabytes) or 'TB'(Terabytes)

1.2.7 **"DSL"** Digital Subscriber Line.

1.2.8 **"Retail Fibre Voice"** refers to a voice service available on Fibre Infrastructure.

1.2.9 **"Throttling"** is when your Internet service provider limits the speed to the network traffic.
