30. Telkom's LTE network is supported on Telkom Mobile's 2300MHz and 1800MHz LTE network only with failover support to Telkom Mobile's 3G network, and the experience may vary depending on the wall thickness at your premises.
31. Telkom is not liable for any loss or damage to your property or equipment arising out of the provision, installation or maintenance and use of the service.
32. Telkom will not incur any liability whatsoever for any loss or damage as a result of any use, authorised or unauthorised, resulting from virus attacks, security vulnerabilities, or loss of information.
33. Telkom LTE Data Plan Post-paid is an LTE wireless service and as such is a best effort service with no guarantees on throughput. There are many factors that can affect the speed of the LTE Data plan service such as, but not restricted to, signal strength/distance to tower, number of users on the tower, type of service being accessed on the internet and local PC environment.
34. Telkom shall be entitled to adjust the charges levied to a Customer from time-to-time as determined by Telkom, including but not limited to charges reflected under the Contract Tariff Plan(s) within a contract period i.e., fixed term agreement. Changes will be published on the Telkom.co.za website. Changes will only apply to the tariff plan.

Data Validity Rules: LTE Data Plan Post-paid

1. The monthly Inclusive anytime data validity period shall expire within two calendar months from the month of allocation. i.e. the Inclusive anytime data allocated to your plans on 01st November will expire on 31st December.
2. The monthly Inclusive night surfer data validity period shall expire in one calendar month from the month of allocation. i.e., the Inclusive night surfer data allocated to your plans on 01st November will expire on 30th November.
3. The unused inclusive anytime data on LTE Data Plan Post-paid plans shall roll over to the end of the next calendar month. Rolled over data will be depleted first before the newly allocated inclusive data is used.
4. The unused inclusive night surfer data on LTE Data Plan Post-paid plans shall not be carried over to the next calendar month.
5. For example: if you are subscribed to a 40GB LTE Data Plan which comes with (40GB Anytime Data + 40GB Night Surfer Data) and only utilised 37GB of your inclusive anytime data and 38GB of your night surfer data

the remaining 3GB unused anytime data shall be carried over to the following month and the 2GB Night Surfer shall not be carried over. The 3GB anytime data will be consumed and be depleted first before the new monthly inclusive allocated (40GB Anytime Data + 40GB Night Surfer Data) is utilised.

6. Promotional data and Night Surfer data shall not roll over and shall not be transferable.

Data Transfer Rules: LTE Data Plan Post-paid

1. The Data Transfer service shall be available to new and existing Telkom Mobile LTE Data Plan prepaid and post-paid customers. Data Bundles Transfer shall not be allowed to or from other Mobile Operators.
2. LTE Data Plan Post-paid Telkom customers shall only be able to transfer data to another LTE (Post-paid and Top-Up) and/or LTE Prepaid Telkom customers only.
3. The Data Transfer service shall support Inclusive Anytime data, Recurring Anytime data and Once-off Anytime data bundles, excluding night surfer data bundles and promotional data bundles.
4. The Data transfers shall be in the following denominations: 25MB, 50MB, 100MB, 250MB, 500MB and 1GB.
5. Donated Data bundles validity period shall be as per the donor data bundle validity period, e.g., if a customer transfer 1GB from 10GB anytime data bundles that was bought on 01st November and expires on 31st December (which is 61 days) from date of activation, the 1GB donated data bundles shall expire on 31st December.
6. The Data Transfer service shall be available through the following channels:
 - USSD
 - Telkom Self Service Portal
 - Telkom App
7. There is no activation or subscription fee for the service.
8. Customers shall be allowed to transfer up to 1GB a day and 10GB a month per MSISDN within the LTE Data Plan Post-paid, Top-Up and Prepaid products.
9. Customers shall not be allowed to transfer the full amount of the available Once-off Anytime data bundles, e.g., if a customer purchases 5GB once-off LTE data bundles she/he cannot transfer all 5GB at once.
10. Customers receiving the donated data bundle shall not be allowed to transfer that data bundles to others.
11. The donated data bundles shall not be pro-rated, and the customer shall be able to utilize it until it is fully consumed or has expired. Unused donated data bundle shall not carry over; when the bundles expire customer will forfeit all unused data.
12. In case where a customer has two or more once-off LTE data bundles available, the customers shall be allowed to transfer data from the first LTE once-off data bundle.
13. Once the data bundle has been transferred, the transfer cannot be reversed.

Migration Rules:

Customers are permitted to request a migration after 3 months into their contract.

Upward Migrations: An upward migration refers to the scenario when the subscriber wishes to move to a package of a higher base subscription than the existing package, during the fixed term portion of the agreement.

1. The subscriber may upward migrate without any penalties at any time during the fixed term agreement subjected to the differences in the base subscription.
2. The subscribers shall retain accumulated deal allocations when doing an upward migration.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g., Migrate from LTE 5GB Wireless of 24 months in month 12 to 12.5GB LTE of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month-to-month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

C: Base refers to the offer or service that is not linked to a device and deal refers to the offer or service that is linked to a device.

Downward Migrations: A downward migration refers to the scenario when the subscriber wishes to move to a package of a lower base subscription than the existing package, during the fixed term portion of the agreement.

1. The Subscriber will be liable to pay an admin fee for a downward migration, which will be determined at the time of requesting the migration.
2. The Subscriber shall retain accumulated deal allocations when doing a downward migration.
3. Telkom shall, as a downward migration fee, recover the difference in device pricing between the original and the newly selected packages as well as an administration fee.

Please note the following:

A: The new offer starts immediately after Telkom activates the service upon courier delivery and the customer being informed by the RICA agent. The commitment period for Base to Base will continue until the end of the new commitment period. E.g., Migrate from 20GB LTE of 24 months in month 12 to LTE 80GB of 24 Months, means that the contract continues from month 12 until month 24 of the new offer, thereafter it will continue on a month-to-month basis.

B: When migrating from “Base to Deal” and “Deal to Deal” and “Deal to Base”, the commitment period shall be set according to the new contract period and the associated terms and conditions.

Discounts that are applicable in the existing products shall not be carried over to the new contract/commitment period.

A: Value added services (VAS) shall only be re-established on customer request and according to the eligibility of the new offering.

B: Customers choosing to migrate to either upward or downward prior to the expiration of the contract/commitment period shall be able to do so; however admin fees and penalties shall be applied by Telkom, where applicable.

Early Terminations: Early terminations refer to scenarios where the subscriber wishes to terminate the agreement prior to the agreement expiry date.

1. The subscriber shall be liable to pay upon early termination or cancellation of the contract, where applicable, any associated costs such as administration charges, outstanding device costs, service charges etc and this will not be applicable to month-to-month subscribers.
2. The early termination/cancellations fee will be calculated at the time of requesting the early termination.

Service Conversions: This refers to scenarios where subscriber wishes to change from the post-paid account to either a hybrid account or a prepaid option.

1. Early termination shall be applicable, but the subscriber shall be permitted to retain the originally assigned mobile number as allocated to/or ported over by Telkom Mobile.
2. When a subscriber converts from a prepaid product offering to a post-paid product offering, all free resources such as data deals, messaging deals shall be retained.
3. Upon signup and activation of a mobile contract, customers shall not be permitted to convert to another offering within a 3-month period, from such contract activation.
4. Standard conversions rules shall apply pertaining to conversion for customers on a voice plan to a data plan and vice versa i.e., conversion from a FreeMe 1GB to a 12.5GB LTE data plan shall not be supported and vice versa.
5. Prices are valid at date of print. E&OE.
